RAZOOF

20 YEARS OF GLOBAL DUB RIDDIMS

For the past two decades, Razoof has been crafting and releasing reggae and dub music, collaborating with musicians from all corners of the globe. This compilation takes you on a deep, immersive journey through his signature slow-burning dubs.

Featuring reggae icons like Luciano and Gambia's kora master Pa Bobo Jobarteh, alongside powerful voices and remixers from around the world—Tanzania's Jhikoman, Nigeria's Oge Kimono, and Germany's renowned dub producer Dubvisionist.

Most of these dubs were recorded and mixed in Razoof's countryside studio in Uganda, infusing the sound with a unique and organic vibe.

A vibrant selection of dub gems spanning the Caribbean, Europe, and Africa—authentic, conscious, and full of soul.
